JIULONG INDUSTRIAL CO.LTD
NINGBO JIULONG HARDWARE CO.,LTD

九隆五金 Jiulong Hardware

COMPANY PROFILE

NINGBO JIU LONG HARDWARE CO.,LTD. is a group company which owns two other subsidiaries: Zhejiang Jin Long Machinery Rigging CO.,LTD. and Ninghai Shuanggen Rubber &Plastic Co.,Ltd. It is located in Ninghai High-tech Industrial park Ningbo city--well- know as eastern pearl of China with beautiful sight-seeing. As the park is just near to the express way and main road, the transportation here is very convenient with Ning Bo international airport, Beiluo port just nearby.

Our services cover designing, manufacturing and sales of cargo control product, lifting and lashing hardware , truck parts, trailer products, supermarket shelves and shopping carts, machinery and riggings. There are over 400 0 products , among them 25 have got national patent. Owing to our refined design, original appearance and excellent workmanship, our products are now popular in over ten countries and areas like the United States, Germany, UK, France, the Netherland, Poland, Mexico and Taiwan etc.

For years, we have been the manufacturing company in our areas and have won the titles as city is "Contract stressed and credit reliable" company, AAA credit ranking company, we also got Achievement Award from intertek for WCA(Workplace Conditions Assessment)

Our fixed asset is over RMB 250million (USD40million) and the company covers over 100,000 square meters with buildings of 80000 square meters. Totally we have 1100 employees, 120 of them are junior and senior engineers, 150 are skilled technicians, we total have 3 big plant base on different product range.

Here following are the main equipment we have:

Imported auto chrome-painting line	2 EA
Imported auto powder-painting line	4 EA
Imported auto zinc-painting line	6 EA
Imported threading-drawing machine	4 EA
Imported alignment machine	20 EA
Imported spot-welding machine	40 EA
Imported robot welding machine	6 EA
Imported bending machine	4 EA
Mould finish-machining equipment	30 EA
100T-500T Hydraulic press Machine	10 EA
Large scale Hydraulic plate-cutting machine	2 EA
5T-250T Punch machine	60 EA
160T-1000T friction press	30 EA
Forging machine(from 400T to 1200T)	12 EA
Imported Webbing sewing machine	20 EA
webbing stitching machine	30 EA
Testing machine	6 EA

We are rapidly growing into a high-tech manufacturing company specialized in the production of argo control product, lifting and lashing hardware , truck parts, trailer products, supermarket shelves and shopping carts, machinery and riggings. series products with our advanced equipment, high efficiency stuffs, aggressive R & D and strong exploring spirit.

We can not only design and make all kinds of products within our product lines, we have set up an overall quality-control system from the raw material to finished products also. This enables us to pass ISO9001 and ISO 14000 approval.

We always hold our company idea "result-oriented, innovation, hard-working and surpassing" and this beings our unique company culture as "frank behaving, steady working, aggressive exploring and life-long studying" and our operation principle as "Innovation, sincere service, credit-stressing and supreme-quality".

We'd like to provide our customers with products of big variety, high quality and attractive appearance.

LED LOW PROFILE TAILLIGHT & TAIL LAMP KIT

- LED Light rated at 100,000 hours - no bulbs to change
- Taillight's are waterproof and are suitable for the Marine Environment
- Meets/exceeds all DOT requirements for trailers over 80" wide
- Kit contains two taillights, one license plate bracket, one 25' wishbone trailer harness, one 48" connector, mounting hardware and installation instructions

JL9854-1 LED low profile trailer light kit

JL9854-2 LED low profile trailer, right / curbside

JL9854-3 LED low profile trailer, left / roadside

STANDARD UNDER 80" TAILLIGHTS

- Designed for a wide variety of utility trailer applications
- Performs six functions: tail, turn and stop lights, side marker and reflector
- Extra "hot" connector wire port included to provide for quick and easy wiring for additional auxiliary lights

JL9854-4 7-function taillight (road side) with license plate light

JL9854-5 6-function taillight (curb side) without license plate light

STANDARD OVER 80" TAILLIGHTS

- Designed for utility trailers 80" wide or wider
- Helps all trailers ensure compliance with DOT-108 when properly mounted
- Incorporated license illuminator (no need for a separate clearance light)

JL9854-6 8-function taillight - road side

JL9854-7 7-function taillight -curb side

SURFACE MOUNT LIGHT

- Multi-function stop/turn/taillight
- Hardware included

JL9854-10 Surface mount stop/turn/taillight

WATERPROOF ROUND TAILLIGHT

- Grommeted taillight performs stop, tail and turn functions
- Designed to be used in industrial and commercial applications
- Sonically sealed polycarbonate lens and base
- Mounts in flush mount grommet to maximize shock proof

JL9854-8 Taillight Set: module, grommet and plug

JL9854-9 Grommet only for round taillights

3-PIECE REPLACEMENT LENS SET

CONTENTS:

- 1 - 4-1/2" square, red with bullseye center
- 1 - 2" x 2-3/4", red
- 1 2" x 2-3/4", amber

JL9854-11 3-piece replacement lens set (under 80" wide trailers)

WATERPROOF LOW-PROFILE TRAILER LIGHT KIT

- Features taillights with replaceable sealed lamp capsules
- Protects bulb and contacts from damage by corrosion
- Contains 2-taillights, 2-side marker lights, 1-license plate bracket, 1-25' wishbone trailer harness, 1-48" connector, hardware, instructions

JL9854-12 Waterproof low-profile taillight kit

JL9854-13 Waterproof low-profile taillight - road side

JL9854-14 Waterproof low-profile taillight - curb side

JL9854-15 Replacement sealed lamp capsule

STANDARD TRAILER LIGHT KIT

- Kit combines standard trailer lights and wiring
- Designed specifically for trailers under 80" wide
- For wider trailers, add clearance lights and ID bars

JL9854-16 Standard taillight kit with 20' harness and marker lights

JL9854-17 Standard taillight kit with 20' harness; no side marker lights
